## **RECOMMENDATION:**

**BACKGROUND:** This award is given to individuals or groups in recognition of their contributions to urban forestry and other areas of tree care, tree preservation, Arbor Day activities, community beautification, or education.

During the last two years, Joe Morra raised approximately \$20,000 through donations and grants to plant trees in City parks, on City-owned property and City rights-of-way, as well as at one public school. These contributions from area citizens and the Chesapeake Bay Trust, Maryland Environmental Trust and USDA Forest Service were used to plant more than 250 trees throughout the City. The plantings were implemented with assistance of the Tree-Mendous Maryland Program, numerous volunteers and City staff.
